Volume 1 Issue 4

Parents Edition

News:

And just like that the season starts this week. The teams have been working hard to prepare for the season and now all their hard work will pay off.

Few notes for the parents:

First, picture day is Saturday the 16th. Please have your son or daughter wear their game uniforms for the photos. The schedule for the photos will be on the next page.

The below is from MetroWest. Unfortunately, North spectators do not have a good rep with the referees please take the below to heart.

“Our code of conduct is very much in full force. Please remember that it is not acceptable to approach an official, opposing coaches/players, or spectators once the game is complete. The league has an AUTOMATIC no questions asked consequence if this is rule is violated. The first consequence is a one game suspension and the second consequence is you no longer are allowed to attend a MetroWest sanction game.”

Support your teams:

This year, for the first time, North Hoops will be hosting ads on its site. Each ad is \$100.00 for more information please go to <http://www.northhoops.net/league/>

Important Dates:

Friday our North High Varsity football team will be playing in the Super Bowl at Gillette Stadium @ 5 PM. Go support our school team.
